Happy New Year!

We hope you had a great Christmas break and wish you all a Happy New year. The children came back full of enthusiasm with lots of stories to share yesterday. They have embraced a new topic for this term and information about their learning and how you can help at home will come out via Parentmail today.

Single Equality Working Party

The role of the Single Equality working party is to monitor equality in school for all groups including children, staff and parents. The working party meets once per term and discusses current equality priorities and tries to find solutions where possible. The group is in need of new members so if you would like to be part of the team please contact Sarah Collins. If you are unable to join the working party but still have things that you would like to raise to be discussed please contact Sarah Collins and these can be added to the agenda of the next Single Equality meeting which will be held on Thursday 11th January at 2pm.

Family first magazine

We have been sent a link to a brand new magazine which has lots of useful information, recipes and ways to keep fit and healthy as a family. The more parents who like & share our Facebook page the more chance we have of winning sports equipment! The links are below. Enjoy!
