

## EYFS Homework - Term 5 - Water

Remember	Understand	Apply	Analyse	Create	Evaluate
<p>Can you practise the tricky words that have been stuck in your Monkey books?</p> <p>If your grown-up points to a tricky word, can you remember what it says? Can you write it? (Remember you can't sound these out)</p> <p>Can you remember which two letters go together to make each digraph?</p>	<p>I wonder if you can find out where the water in our taps comes from and goes to? I wonder if you can investigate ways of saving water in our homes?</p>	<p>Those pesky seagulls kept taking Mr Grinling's lunch on its way over to his lighthouse in the story The Lighthouse Keeper's Lunch. What would you have done to stop the seagulls from taking his food? Is there a better way to send his lunch to the lighthouse? Can you draw or write down your plan? ★</p>	<p>Do you know why we have lighthouses? Why are they by the sea? If you were going to design a way of keeping boats away from rocks what would you do differently? Is there a better way than light to warn boats? Visit the lighthouse at Dungeness to learn more.</p>	<p>Can you create a boat from junk materials that can float on the water in the bath or school water tray. What junk materials did you decide to use and why? ★</p>	<p>Can you go on a bug hunt and make a record of the minibeasts you find? Can you group the minibeasts in any way? i.e. how many legs they have? ★</p>

# Homework

### Homework

- Please complete one homework task each week.
- Over a Term you should complete one task from each colour of the rainbow above.
- Activities do not need to be completed in order (you may choose to complete a shorter 'remember' activity when you already have a busy weekend planned!)
- You could colour the correct section on the rainbow, so you remember which activities you have completed....by the end of the term, the rainbow will be complete!
- Only activities with a star next to them need to be brought in to school.
- You can evidence your homework in any way you choose. It may be photographs if it is a practical task, a sentence, pictures, number sentences etc.
- In EYFS, this homework is in addition to your monkey book sounds and words (weekly) and reading (4+ times per week).
