

Year 1 "Be our Guest" Topic Homework Grid

<p>Invent your own cake. What flavours would you put in it? How would you decorate it?</p>	<p>Help someone at home with the food shopping. Perhaps you could write a list of what you need or help to weigh things in the supermarket.</p>	<p>Help plan a dinner for your family. Try to include food from different food groups to make sure it's balanced and healthy.</p>	<p>Pick a piece of food such as a pizza, cake or sandwich. Can you help a grown up to cut it into equal parts? E.g. $\frac{1}{2}$ or $\frac{1}{4}$</p>
<p>Pretend you are planning a party for your friends. Can you write an invitation to them?</p>	<p>Go to the library. Can you find a book about food to bring in and share with your class?</p>	<p>Look at menu's when you are out and about with your family/friends. How are they laid out, can you practise reading them. Can you create your own restaurant/cafe menu?</p>	<p>Practise measuring the volume of liquids. This could be with cups, bottles or measuring jugs, i.e there are 3 cups of milk in the bottle.</p>
<p>Sort foods in your home by where they come from. Does it come from an animal, the ground or a tree? Which country is it from?</p>	<p>Look at recipes either in books or online, what do you notice about them? Can you create your own recipe?</p>	<p>Can you use your 5 senses to explore some food? What does it feel like, taste like, smell like, look like, sound like to eat? Write some descriptive sentences.</p>	<p>Write a set of instructions for how to wash your hands or brush your teeth.</p>
