

# DOWNS VIEW INFANT SCHOOL & KENNINGTON CE ACADEMY OPEN DAYS

## IS YOUR CHILD GOING TO BE 4 BY 31 AUGUST 2021?

If yes, then now is the time to find out about the best opportunities that your local schools have to offer, with your application due to be sent in by January 2021.

Downs View Infant school is an Outstanding three form entry Infant School within the heart of Kennington. We work in partnership with Kennington CE Academy (year 3-6) to give your child the best educational opportunities for the next 7 years. The schools are recognised for their child centred ethos and pupil outcomes which are in line or above National standards for many years. Kennington CE Academy was rated Good with outstanding elements by OFSTED (2017) and rated as an Excellent church school by SIAMS (2020). They recognised significant improvement in leadership and pupil outcomes, which are above the National standards in all areas for attainment. It is one of the top Church of England schools in the Aquila Trust for achievement.

Both Downs View and Kennington strive for high standards whilst putting the children at the heart of everything we do. Our excellent teaching and pastoral care enables children to thrive and learn in stimulating environments where the curriculum is enriched with real and purposeful learning. Outdoor learning is high on our agenda and with our amazing grounds makes teaching and learning exciting and inspiring.

**Sound too good to be true?** Well why not come and see for yourself, whilst watching our outstanding teaching and learning in action. Due to COVID and new Government regulations, tours will be held in groups of a maximum of 6 including the host. The tours will be led by either the Headteacher and Deputy Headteacher and will be spent outside, viewing teaching and learning through windows and doors. All participants will be expected to wear a face covering. Unfortunately this will have to be restricted to one adult per household. Alongside this we will be providing a recording of an introduction to both schools from both Headteachers and both school's websites give a wealth of extra information.
