

Truly Scrumptious

Design and Technology

Learn how to use tools and equipment safely.
Investigating, planning and making a healthy wrap.

History

We will be learning about The Great Fire of London and the impact it had on the city.

Year 2 - Term 1
During our topic
we will:

ICT

Begin to understand algorithms and programming remote control toys.
As well as using Apps and software on the iPads to program.

RE

We will be learning about Muslims and what they believe.

Maths

This term we will be learning about place value and what each digit in a number represents. Also we will be exploring addition and subtraction and strategies to solve problems.

Science

Finding out about ourselves.

How we keep healthy by learning about the benefits of exercise as well as different food groups and how to have balanced diet.

How we can stay healthy through personal hygiene.

English

We will begin the term exploring the story 'The Journey' and writing our own version of the portal story. We will be looking at the story of 'Charlie and the Chocolate Factory' and designing our own chocolate bars. We will be investigating the different features of instructions texts e.g. recipes.

Year 2 - Term 1

Some ideas for at home:

Maths

Can you practise counting to 50 forwards and backwards?

Can you practise writing numbers thinking about how many 10s and 1s are in the number? Also think about addition and subtraction and solve calculations.

Design and Technology

Practise with playdough the skills of cutting, slicing, mashing and dicing. Make a salad to accompany a dinner.

PSHE

Talk about friendships and how to be a good friend.

History

Find out more about the changes that happened after the Great Fire of London.

Use

<https://www.safesearchkids.com/> to find out more.

Science

Look at labels on food packaging to see what food groups it contains.

Design a healthy meal.

Think about how humans grow and what they need to grow.

Be more active.

English

Enjoy reading with your family. Look at some recipes and think about their features.

Create a fact-file for how to be healthy.

Fruit salad

You Will Need:
1 Grown up helper
1 Bowl
1 Apple
1 Kiwi
2 Strawberries
1 Tangerine
100ml orange juice

What to do:
1. Wash all of the fruit in cold water.
2. Peel the kiwi and the tangerine (ask your grown up helper to do it if you need a knife) Separate the pieces of tangerine and put them in the bowl.
3. Chop up the apple, strawberry, kiwi, put them in them in the bowl and mix them up.

ICT

Use <https://www.safesearchkids.com/> to find out how to be healthy.

Take photos of yourself being active.
