

While you are home learning please continue to use the weekly videos to support your child's development in Phonics, Literacy and Maths. If you would like any extra activities please have a look below but **remember** within EYFS a large percentage of our day is ID (Child Initiated Activities / play).

The EYFS team enjoy sharing your home learning so please email any things that your children are proud of to the reception email so that we can share this with your child ([reception@downs-view.kent.sch.uk](mailto:reception@downs-view.kent.sch.uk)).

Day 5	Phonics	Use the beginning of the videos to go back through the words and sounds. Use this time to consolidate some of the learning from this week!	

on March 4<sup>th</sup>

Each year at school we celebrate World Book Day! Unfortunately this year we will all be at home, however we thought we could still join in! Therefore during the week have a go at some of these activities:

- Visit share a story corner on [worldbookday.com/share-a-story-corner/](http://worldbookday.com/share-a-story-corner/) for a huge variety of video stories and fun downloadable activities to go with them
- Create your own story in a box, book themed bunting, bookmark, potato book character

- Draw a picture of the front cover of your favourite story to put up in your window on 4th March or that week. Then your friends can see them when they go on their daily walks.
- Dress up as your favourite book character and send in a photo to the reception email.
- Read a story to a grown up, sibling, pet or teddy. Maybe even get a grown up to video you and send it in to us!

#### Religious Education

##### **How do Christians know that children are special to God?**

Tell pupils the story of Jesus blessing the children from the gospel of Mark 10:13-16

[https://www.youtube.com/watch?v=\\_KZW6g\\_uUu8](https://www.youtube.com/watch?v=_KZW6g_uUu8)

Think about these questions:

What was so special about Jesus that the children were brought to him?

How does it feel when an adult tells you to go away?

Why did the disciples tried to take the children away from Jesus?

How does it feel when an adult spends time with you?

How does it feel when an adult is kind to you?  
How did the children feel when Jesus welcomed and blessed them?  
Why did Jesus say that children are so important?

What happened in the story?

How did the characters feel?

Have you ever got lost?

Where were you lost?

How did it happen?

Who were you with?

Talk about what you should do if you got lost and who is appropriate to go and approach and ask?

### Physical Development

Let's explore moving like different a Bee. Let's do the waggle dance!

This BBC programme is great to encourage your child to move like a Bee. It is a listening activity too as there is no video to accompany!
