

It's a Kind of Magic

DT

We will be designing, creating and evaluating pouch to take to Wizing School.

Geography

We will be learning about maps. We will be discussing human and physical features within maps and creating our own.

Year 2 - Term 4

During our topic we will:

RE

We will be learning about some religious festivals and why these are important to those who celebrate them.

Music

We will be using our voices expressively and creatively by singing songs and speaking chants and rhymes.

Computing

We will be researchers next term and use safesearchkids.com to find information and represent this using PowerPoint.

Maths

This term we will be learning about statistics, looking at pictograms, tally charts and bar charts before moving on to multiplication and division.

Science

This term we will be discussing the needs of animals, we will be linking this to basic human needs.

We will discuss lifecycles.

English

We will be inspired by various magical stories such as Harry Potter, Alice in Wonderland and George's Marvellous Medicine.

Year 2 - Term 4
